Site manager assembly / timber construction (m|f|d)

Gossau SG, Switzerland

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann utilises the diverse potential of wood innovatively and in a sustainable value-added cycle. Our employees are committed to a wide variety of customer projects at our headquarters in Gossau SG, at our sites in Switzerland, Germany and Luxembourg, and all over the world.

Tasks

— Together with your team, you will carry out our unusual carpentry work on the construction sites, such as the assembly of residential, industrial and modular buildings as well as interesting special buildings

— You organise the processes and work on our construction sites together with the project management and the assembly team leader

— With your extensive expertise and drive, you will lead your team in a competent and motivating manner.

— You also lend a hand with the assembly work yourself

— You regularly liaise with the project management team to ensure that everything goes according to plan

Lehmann

Requirements

You have basic training as a carpenter with further training as a foreman, foreman or equivalent. You can utilise your valuable professional and management experience in a targeted manner. We look forward to your communicative, reliable and team-orientated personality.

We offer

We can offer you a varied and interesting role in a successful and future-orientated company. In a safe working environment, you can contribute and develop yourself further. We cultivate respectful interaction and the necessary humour at work is a must. You can expect a supportive and collegial team.

We look forward to hearing from you. Simply get in touch with a "short application". Of course, you can also submit your application documents via our online application form.

We look forward to receiving your application documents via our homepage.
